SUNBRELLA®/OUTDURA® CHAMELEON SYSTEM

A revolution in design, these Dual-Track 3-Sided Enclosures are a first for the industry. The all NEW “Chameleon” design allows you the ease and versatility of changing your valances without having to buy a whole new enclosure.

Our NEW patent-pending Dual-Track allows for installation of enclosure color on a separate track freeing up the valance to slide into its own track. Simply slide in the valance kit of choice, securely snap into place and you’re ready to go!

- Sunbrella®/Outdura® 9.25 ounce sun- & mildew-resistant marine-grade material, double stitched seams
- 12-ounce vinyl windows provide a clear view
- Choice of solid or striped valance kits (kit includes 2 side panels)
