Dear Valued Dealer,

As we head into Summer, we are making Summer Stocking more convenient with our latest guide on everything from new products to tried and true favorites. We hope that this will allow you to spend less time searching for the parts you need and more time with your customers.

**Innovative New Gear**
Your partnership with Nivel ensures that you always have access to innovative parts and stylish new accessories. We are excited to share these products with you including the highly anticipated MadJax Storm Body, now available for pre-sale, and our new line of GTW wheels featuring the Bravo and Raven.

**Maintenance Essentials**
Many have held off on routine maintenance and repairs this year. To help you service your customers, take a look at our maintenance and repair section on page 21 featuring convenient tune-up kits and other maintenance essentials.

**Last Chance Deals**
From wheels to solenoids, don’t miss the Closeout Deals starting on page 36. These items are priced to move and are going quickly.

At Nivel, we are eager to kick off the Summer by doing what we do best – helping our customers to transform their businesses and delight their customers. Please do not hesitate to contact a member of our team today for questions ranging from Showroom set up to product installation. We look forward to working with you!

Thank you,

The Nivel Team

PLEASE NOTE: We make every attempt to keep our catalog accurate, but occasionally a vendor change, photography or a pricing error will occur, and the items listed may be subject to change. We also reserve the right to change prices, terms and conditions of sale without notice.

NEW PRODUCT

84” ABS LOW-PROFILE TOPS WITH TRIPLE TRACK

This new ABS top is designed for maximum strength and durability with a lower profile to provide additional overhead clearance.

Our new design reduces the previous top height by 2-1/2”, providing extra clearance for lifted vehicles through garage doors and low clearance openings. The ABS construction provides additional strength & resistance to heat.

The Low-Profile Top comes equipped with our aluminum Triple Track system for easy installation of our enclosures and other available track accessories.

Features:
• New 2-1/2” Lower Profile Height
• Durable & UV Protected ABS plastic resists the elements
• Structured design prevents sagging and warping
• Rain channeling to shed water away from occupants
• Includes industry exclusive aluminum Triple-Track for easy enclosure and accessory integration
• 84” length for 4-passenger vehicle coverage
• Struts and mounting brackets sold separately
• Uses current Triple-Track mounting kits
• Replace part number(s):
